Letter No. 2420/64, dated the 15th December, 1930, from the Residency Surgeon, Bangalore.

Leave to Stipendiary pupil nurses in the Bowring and Lady Curzon Hospitals, Bangalore.

The Record Keepers say that the Resident's Office file 322/1900 is not traceable. But please see the Residency Surgeon's office file kept below.

Mrs. D. Cunliffe, a 2nd year pupil nurse, was granted leave on average pay for 3 weeks from the 15th June, 1930, after she put in only 9½ months duty as a 2nd year pupil nurse. Under the orders of the Government of India contained in their memorandum No. 170-E., dated the 24th October, 1924, she should get leave on average pay for 3 weeks after 11 months' completed duty as a second year Pupil Nurse. Therefore the leave granted by the Residency Surgeon does not appear to be in order and the Pay and Accounts Officer objects to it.

The Residency Surgeon now asks for the sanction of the Government of India to the deletion of the words---- "as such" in the memorandum referred to aboye. From the Residency Surgeon's letter it is not quite clear whether Mrs. D.Cunliffe worked as a first year nurse for 13½ months and as 2nd year nurse for 9½ months. He may perhaps be asked when Mrs. Cunliffe was first entertained, how many months' service she put in as a first year Nurse and how many months as a 2nd year Nurse before she went on leave on the 15th June 1930. He may also be asked to explain the circumstances under which the leave was granted.

Leave to Stipendiary pupil nurses in the Bowring and Lady Curzon Hospitals, Bangalore.

Sir,

In forwarding herewith an extract of Audit Objection Statement for August 1930 received from the Pay & Accounts, Officer,Bangalore, I have the honour to refer to the draft set of rules for Nursing Staff of the Bowring & Lady Curzon Hospitals forwarded with this office letter No.2025,dated 1st.April 1925. In it, it has been proposed that leave is to be granted after every 11 months' completed service but in the sanction accorded by the Government of India in their Memorandum No.170-E.,dated the 24th.October 1924, the words "as such" have been added after 11 months' completed duty. This restriction is rather too hard as sometimes a nurse may not get promotion from one grade to the other for want of a vacancy,even though she has completed the required period of training. If she is to wait for 11 months duty in each grade,she may not be able to take the one month's leave at the end of her training,or she will have to be retained in service beyond 3 years in order that she might be eligible for the leave. Secondly, a 3rd. year nurse may officiate in the vacancy of a charge nurse during her period of training.The retention of the words "as such" will enforce that nurse to work beyond 3 years in order to get the one month's leave at the end of her training, as she is to do duty as 3rd.year nurse for 11 months.

To obviate

S.N.49 (B)

To obviate the above difficulty and to satisfy the requirements of audit, I request that you will kindly obtain sanction to the deletion of the words "as such" after 11 months' completed duty.

Sir,

Your most obedient servant

Leave to stipendiary pupil nurses in the Bowring and Lady Curzon Civil Hospitals, Bangalore.

Sir,

S.N.2 (N) With reference to your letter No.1486/103-1931 dated the 28th February 1931, I have the honour to inform you that Mrs. D.Cunliffe was entertained as 1st year pupil nurse on 1st August 1928. She was granted two weeks' leave on average pay from 1st to 14th July 1929, i.e. after 11months' completed duty.

She was promoted as 2nd year nurse on Rs 20/- from 1st September 1929, i.e after a service of 13 months as 1st year pupil nurse, for want of a vancancy in the 2nd year grade.

She put in a service of 9 months and 14 days as 2nd year nurse before she went on leave for 3 weeks from 15th June 1930. The three weeks' leave was granted to her as she has done duty ~~as pupil~~ continuously for a period of 11 months from 15th July 1929 to 14th June 1930.

She was promoted to 3rd year grade from 1st November 1930, i.e after a service of 14 months in the 2nd year grade She would be entitled for one month's leave only from 1st October 1931 if the rule, 11 months' completed duty as such, is enforced, ie. to say she will have to work in hospital beyond her 3 years' period of training. Hence, I request for sanction to the deletion of the words " as such" after 11 months' completed duty.

Sir,

S.N.4 (C)

With reference to your letter No.1937/103-1931 dated 16-3-31 on the above subject, I have the honour to state that under the orders contained in the Government of India, Foreign & Political Memo No.170-F dated 24-10-1924, incorporated as para 24-A (a) of the Bangalore Manual Mrs. D. Cunliffe would become eligible for 3 weeks' leave on average pay only after completing 11 months' completed duty as 2nd year pupil nurse. As she had put in only 9 months and 14 days' duty as 2nd year nurse on 15-6-1930, the grant of 3 weeks' leave on average pay would require the sanction of the Government of India.

Subject:- Leave to stipendiary Pupil Nurses in the Bowring and Lady Curzon Hospitals, Bangalore.

Sir,

I have the honour to refer to your memorandum No. 170-E., dated the 24th October, 1924,, sanctioning the grant of certain kinds of leave to stipendiary Pupil Nurses in the Bowring and Lady Curzon Civil Hospitals, Bangalore.

2. Mrs. D. Cunliffe, who was first entertained as 1st year Pupil Nurse on the 1st August, 1928, was granted two weeks' leave on average pay from the 1st to 14th July, 1929, i.e., after 11 months' completed duty. She was promoted as 2nd year nurse from the 1st September, 1929, i.e. after a service of 13 months as first year Pupil Nurse for want of a vacancy in the 2nd year grade. She put in a service of 9 months and

14 days as 2nd year Nurse, before she went on leave for 3 weeks from 15th --- June 1930. The three weeks' leave was granted to her by the Residency Surgeon, Bangalore, as she did duty continuously for a period of 11 months from the 15th July, 1929, to 14th June, 1930.

3. The Pay and Accounts Officer, Bangalore, considers that under the ---- orders of the Government contained in memorandum referred to above, Mrs. D. Cunliffe would become eligible for 3 weeks' leave on average pay only after completing 11 months' completed duty as 2nd year pupil nurse and as she had put in only 9 months and 14 days' duty as 2nd year nurse on the 15th June, 1930, the grant of 3 weeks' leave on average pay would require the sanction of the Government of India. I request that the requisite sanction may kindly be accorded.

4. Mrs. Cunliffe was promoted to 3rd year grade from the 1st November, 1930, i.e. after a service of 14 months in the 2nd year grade. She would be ---- entitled for one month's leave only from 1st October, 1931, if the rule, 11 months completed duty as such is enforced i.e. to say she will have to work in hospital beyond her 3 years' period of training. In the circumstances, I request that the Government of India may be pleased to amend suitably their orders contained in para 2 of their memorandum referred to above

above so as to enable the Pupil Nurses to go on leave after eleven months' completed duty either as first or 2nd or 3rd year Pupil Nurses.
